TIPS & TRICKS

Moderation & Privacy

Keep moderation on when first using Padlet with your students!

1. Click on **SHARE**
2. Select **PEOPLE & PRIVACY**
3. Make it **SECRET**
 - Unless you want everyone to see the wall
4. Choose what **ACCESS** to provide
 - **View** - select this when you are *done with the wall* to avoid it being changed
 - **Write** - this allows students to make posts
5. Scroll down to turn on/off **MODERATION**

Commenting

1. Click on *the gear*
2. Scroll down to **POSTING**
3. Turn on **PROFANITY FILTER**
4. Scroll down to **COLLABORATION**
5. Turn on/off **COMMENTING** or **REACTIONS**
 - **Commenting** allows students to provide input or answer questions you might have posted
 - **Reactions** can allow students to vote or rank posts - we advise keeping it off unless ranking's the purpose.
