

SCARFE  
digital sandbox

## STEP 1: Create an Account

- \* Visit [plickers.com](http://plickers.com)
- \* Create a FREE account using your email
- \* Sign In
- \* Download the Plickers App onto your iOS or Android Device

## STEP 2: Get Started

- \* Download a set of cards
- \* Print on cardstock
  - \* BEWARE laminating can cause glare & impact use
- \* Cut out cards (add #'s and letters to the back for ease of use)
- \* In your account online **1. "+ New Class"** (group name, section or division #) **2. Add Students** (do not use students' full names!)
- \* Create some questions (Click on **Create New Set** - check out the different media and style options!)

**NOTE:**

**Graded:** Only one answer is correct

**Survey:** There are no set answers

## STEP 3: On the App!

- \* Login using your account on your device (iPad, iPhone, Android)
- \* Browse your **Library** and select a **Set**
- \* **Play Set** or **Add to Queue**
- \* Make sure students have their plickers ready
- \* **Select Class** by tapping on it
- \* **Allow** access to the camera
- \* **Scan student cards**
- \* **Review** the results on your device or computer!

## STEP 4: Get Inspired

- \* Use Plickers as a check for understanding, temperature check, entry or exit ticket! Include gifs, audio and other media for more multimodal gameification!
- \* Download pre-made Question sets
- \* Visit the Scarfe Digital Sandbox for suggestions & links to resources!
