

\* Users could write their initials in their post or remain anonymous

\* Once users are in the Padlet, encourage them to click on the additional

features:

\*Change the colour, add images/gifs/videos

\* Users can **Edit** their

responses by clicking on the **pencil**

\*\*\*Teachers can PIN or choose one post to set as a **Cover** (great for modelling)

## STEP 3: Revisit or Export

\* Log into your Padlet account

\* Click on the Padlet of your choice

\* Tap on the **Breadcrumbs** and select **Export**

\* Save as an Image, PDF, CSV, Excel Spreadsheet

\* You can even Print it!

\* Revisit a Padlet with your students if doing a KWL and have them answer their **Wonders** or correct their **Knows**

**At ANY TIME** the teacher can modify the entire Kahoot  
Change the layout, moderate, turn on/off features
