

## STEP 1: Create an Account

- \* Visit [plickers.com](http://plickers.com)
- \* Create a FREE account using your email
- \* Sign In
- \* Download the Plickers App onto your iOS or Android Device

## STEP 2: Get Started

- \* Get the Cards & Download the PDF prints
- \* Print on cardstock
  - \* BEWARE laminating glare can cause issues!!
- \* Cut each card out and place student name on the back
- \* **Add a Class** and students
- \* Create a few quizzes! Click on **Create New Set** and choose
  - Graded:** Only 1 answer is correct
  - Survey:** There are no set answers

## STEP 3: On the App!

- \* Login using your account on your device (iPad, iPhone, Android)
- \* Browse your **Library** and select a **Set**
- \* **Play Set** or **Add to Queue**
- \* Make sure students have THEIR pluckers ready
- \* **Select Class** by tapping on it
- \* **Allow** access to the camera
- \* **Scan** or **Graph** student cards and keep them!
- \* **Review** the results on your device or computer!

## STEP 4: Get Inspired

- \* Check online or TPT for tons of ways to use pluckers
- \* Most Teachers use it as an exit ticket (that they can go back and review later) or temperature-check
- \* Download pre-made Question sets
