

# Merge Cube

## 1. Download apps

There are so many different apps to use!  
Visit [miniverse.io/cube](http://miniverse.io/cube) to find them!

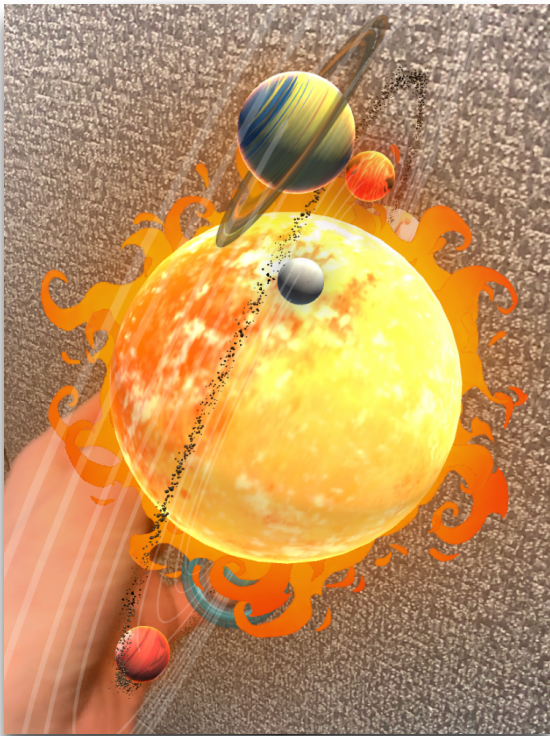

## 2. Choose phone mode

When you launch an app, make sure you select phone mode first!

## 3. Activate your cube

Create a free Merge Cube account. Use the activation code that came with your merge cube to confirm your account.

## 4. PLAY!!!

- \* Provide access for the camera
- ☀ Launch any app
- ☀ Hold your phone in one hand with the merge cube on the table OR hold one in each hand so you can rotate the merge cube.
- ☀ Have fun!
